

When astronauts step through an airlock on the Space Shuttle or the International Space Station into the harsh void of space, they are wearing a state-of-the-art EMU - or Extravehicular Mobility Unit.

**We accept CD or DVDs labeled with issue date, advertiser, agency name, contact person, phone number and ad name/#. Disks will not be returned unless requested.**

Preferred File Format: PDF  
Alternate File Formats Accepted: Native Application Files (MAC ONLY)  
Adobe CS2 (Illustrator, InDesign, Photoshop) or Quark Express 6.5

Image Requirements: All images provided for ads should be final, color corrected, hi-resolution (300dpi) CMYK files. TIF or EPS file type recommended. Hi-Res images should not be scaled more than 115% to maintain image quality.

\*SAFETY: All live matter should be 1/4" from the trim size on all four sides

**Deadlines and Regulations**

Creative for any campaign must be received thirty business days before the start of that campaign.

Receiving creative outside of any of these boundaries will result in the campaign starting one business day later for each day late the creative is up to three business days. The campaign will be extended for the same number of days. Creative later than three days will need to be negotiated on a case-by-case basis.
